Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 04 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and showers today.

Today:
After a dry and sunny start, scattered showers develop from the late morning, possibly turning thundery by the afternoon in northern parts. Feeling warm in any brighter spells. Maximum temperature 22 deg C (72 deg F).

Tonight:
Showers fade throughout the evening however cloud begins to thicken from the west. Fog patches are expected in northern areas. Minimum temperature 14 deg C (57 deg F).

Thursday:
A dry start to the morning with some sunny spells. Showery rain moves in through the day from the west, heavy at times. Breeze picking up as rain comes in. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Remaining unsettled with extensive heavy, thundery showers on Friday. Showers continue into Saturday with sunny spells. Further sunny spells on Sunday with scattered showers.
